

I hope you are reading this because you are planning to attend, the 31st Annual 6th Grade Math Blast. We had over twenty teams last year and it really was a “blast!”

The event will be held on Saturday, March 10, 2012 from 8:30 a.m. until about noon. It will be held at Daniel J. Savage Middle School located at 1900 Maid Mariane Lane, Modesto, CA 95355. That puts the school between Lakewood Avenue and Claus Road and right off of Merle Avenue.

The Rules and Regulations link will give you detailed information about how the contest is organized and how the events are run. The Registration link will give you a registration form which can be printed out and mailed.

If you have any further questions, please contact the event co-chairs, Pamela Mayne at pmayne@sylvan.k12.ca.us or Jan Spallina at jspallina@sylvan.k12.ca.us.
